Alumni Week '25

Class of 1975's

50th Reunion

Louanne Gagnon-Class Secretary

It feels like 50 years have flown by! I left Hawaii In 1976 and moved to Arizona, transferred from Chaminade to Arizona State University. Having grown up in a military family, I was accustomed to moving every couple of years and intended to stay in Arizona only to complete college. But life has kept me in Arizona. And life has provided many opportunities to grown and adapt. With a Marketing degree from ASU, my first career was in health care marketing and marketing research. My priorities were re-arranged with children, so I took several years off to enjoy being a Mom. My two children, Carmen and Ryan are now 41 & 40.

Life was up ended when my father developed early onset Alzheimer's when he Was 52. I spent 10 years helping my mother manage and unwind his many business ventures. These experiences lead me back to school to pursue a Masters of Tax.

I still have my tax practice. I love working with clients and solving their tax puzzles.

My husband, Tom, and I enjoy a very sweet life right now. We enjoy traveling and spending time with our grandchildren. I also enjoy gardening, cooking, and yoga.

I look forward to connecting with everyone and sharing our adventures.

Class of 1975's

50th Reunion

Aloha Class of '75! This is one of your former Senior Class Officers. As such, we have been "tasked" to round up as many of you as we can to celebrate our 50th reunion. We have so many things planned throughout the week beginning July 5th! One of us will be getting in touch with you soon-if we haven't already done so. Here's what I've been doing the past 50 years.... I was able to parlay my minimal baseball skills from high school and played college baseball at a small school in Oregon. I graduated with a degree in Education with a Minor in PE. I've been in Christian, Private, Charter and Public schools for 40+ years. During that time, I was a teacher in grades 3 through 8, athletic director, volleyball, baseball, and basketball coach for elementary, middle and high school. I was also a vice principal, head of middle school, and principal for schools throughout Hawaii, California, Nevada, Maryland, Missouri and Virginia. I remarried in 2005 to Nellie Samson, (MHS Class of '77). Together, we enjoy hiking (if you're my FB friend..you know) especially in Utah. We're super excited to see all of you in a few months at our reunion. Looking forward to catching up! Blessings and Mahalo, Stace

Stacy Sato-Class Vice President
